

KATHY DOUGHTY

Modern Wedge

A wedge template is a versatile and fun patchwork tool. In this workshop there will be a variety of creative techniques and designs presented with the outcome “up to you.” Bring your favorite fabrics from your stash and set the mind free to work with color in exciting combinations. This is a workshop with a focus on using piecing and designing techniques with lots of options. Easy applique techniques will be presented but are optional.

SUPPLY LIST

General Sewing Supplies

- large and small scissors
- threads to match
- needles

Fabric

- A generous supply of diverse strips that are 10" x width of fabric, considering these options:
 - ◆ Value variations
 - ◆ Warm and Cool
 - ◆ Motif or print
 - ◆ Graphic prints like stripes, spots, plaids

Scale Note: In some cases borders, square backgrounds and sashing may be included in larger amounts from fat quarters to 2-1/2 yds.

Rulers

- A wedge or Dresden Plate ruler: 18, 22 1/2, 10 degree variations. Creative Grid is recommended.
- Long (22") and short (12") straight rulers
- Circle templates in acrylic or mylar (optional)

Equipment

- Sewing machine in good working order
- Sewing machine needles
- Design wall
- Camera
- Note pad
- If driving, bring a multi-plug extension cord with surge protection
- Table top light
- Something to cover your work at night
