Vintage Rose

Vintage Rose is the fourth in a series of “Technique of the Month” patterns that brings together a wide-range of techniques for Foundation Paper Piecing. This quilt will leave students with the ability to move on to many other Quiltworx patterns once they have completed this design.

The picture in the brochure, *Mariner's Compass*, is the second of the series.

Verify all pages are included in the pattern before cutting pages, these and the number of pages are listed on page one of each instruction booklet. *To check for corrections, see below.*
