

# Empty Spools Seminars

SESSION V: Friday – Wednesday, April 13-18, 2018

## Mixed Media Art Quilts with Jane LaFazio

You will create a series of three 12x12 inch totally unique art quilts, each using different materials and techniques. Learn: sketching, design and carving stamps, and mono-printing to create your original surface design on fabric. Jane will show you how to add unexpected elements like paper, pockets or embellishments and guide you regarding color, theme, composition and finishing. We'll use our machines to free motion stitch, and you'll also learn embroidery stitches and embellishment.
