

# MERI HENRIQUES VAHL

## People and Places

### MATERIALS LIST

#### Please bring:

- a photo, sketch or design idea to work with
- scissors
- fabric in colors that will complement your picture and if you plan to add people, consider what you will do about hair (black satin, roving, yarn or fabric)
- batting
- a piece of fabric for the quilt back
- very fine black tulle to cover your entire project desired, embellishments for special effects: yarn, trim, beads, buttons, feathers, sequins, other colors of tulle (dark blue is great for shadows), etc.
- you may want fabric glue, fabric tape or a fusible to hold down slippery elements
- lots of straight or safety pins!(I prefer Quilter's Basting Brights, which are very thin, very sharp safety pins)
- a sewing machine capable of free motion quilting (students seldom reach this stage during our class time)

#### 'MAKING FACES'

If you would like to include people in your project, you will also need the following materials:

- a color photo of your person/people if available
- a Black & White photo of your person/people, enlarged to the actual size you need them to be in your quilt on **plain** not glossy paper
- white, light pink, brown or beige tightly woven **cotton batik**, depending on your person's skin color
- freezer paper
- colored pencils: dark blue, reds and pink, various browns, black, yellow and tan (I use Caran d'Ache watercolor pencils, but any good quality will do)
- permanent marker pens (I like fine-point Sharpies)
- fusible interfacing to use as a backing for your person (I will bring Pellon 808 CraftFuse to class)
- 'Lite Steam-A-Seam 2,'WonderUnder' or a similar paper-backed fusible
- fixative (I use Krylon matte spray fixative)
- table top lamp and a multi-plug extension cord with surge protection
- Something to cover your design board and something to cover your work at night.
- optional: a light box (or you can use a window)

***A \$10 lab fee will be collected during class***
