

# SUZANNE STARJASH

## Independent Study

Give yourself a quilting retreat and the freedom to go your own direction. This is your opportunity to bring that project that you want to finish or have questions about what to do next and how to do it. Take this time to explore your creative nature along with fear of failure and frustration in the process. This is your time and your pace.

Suzanne enjoys the creative process and has great diversity in her art quilts. She has won awards from local art and quilt shows and has a published book of her quilts with accompanying poems.
