Fabric Collage Pet Portrait Quilts

SUPPLY LIST

- 8" x 10" photo of your pet in color, and black and white. To get a close-up of the face you may need to crop this, and then enlarge to fill the page.
 - Take this photo to a print shop ask for a black and white enlargement at 200% (about a 20" quilt) or go larger. Bring this for your pattern. If you are unsure or have questions email me the photo. I can do this for you for a small charge. For other instructions go to my website **janehaworth.com**
 - A wide variety of fabrics to match the colors in the photo. Small pieces and some larger are good. Adding some unusual colors, textures, solids, hand-dyes, small scale prints, batiks will add interest to the quilt. You can also work with a vibrant, colorful palette just include all values.
 - Fabrics I like to use include Batiks, small patterns, textures as in lines, text, Grunge, dots, sizes from 6" to 1/8th yard. Include light, medium and dark values and some black. I will bring fabric to use and students are encouraged to share.
 - A background fabric approx. 3/4 yd. You might want to decide this after the portrait is made. I look for a good contrast.
 - 1 yd Pellon 830 Pattern Ease or similar lightweight interfacing, non fusible.
 - Pencil, Chalk pencil or similar fabric marking tools. Disappearing ink pen can work. I like Bohin chalk pencil or Chaco chalk roller
 - Black permanent marker Sharpie Fine (not ultra-fine)
 - Scissors, sharp and good for cutting small pieces of fabric. I like Karen Kay Buckley 6" perfect scissors
 - Alennes Tacky Glue or other fabric glue, Can be glue bottle with needle dispenser. Tool for applying glue like a toothpick or I have glue applicators for sale.
 - Optional tweezers and light box
 - Table top light and a multi-plug extension cord with surge protection
 - Something to cover your work at night
- If you finish the collage you could move onto the quilting so you would need:
- Batting and backing fabric.
 - Sewing machine, supplies and variety of threads.
