Fabric:

You don’t need to buy fabric especially for this class unless you want to. Bring a box or suitcase of fabrics that you like together, remembering that it’s important to have a range of values from light to medium to dark so you will have contrast in your work.

If you want to be specific, bring fabric representing the color wheel—red, pink, orange, yellow, green, blue, turquoise, purple. Also include neutrals including black and white, and brown and gray in a range of values.

Part of the fun is making do with what you have. It’s fine to bring solids, prints or a combination. If you use prints, be sure to include some tone on tone, grunge, or similar fabrics that “read” as solids for contrast. Scraps or fat quarters are also fine, but you will need some yardage—1/2 yd. or 1 yd. pieces should be enough. Bring at least 2 yds of black if you want to make a quilt similar to the one shown.
