

LIBBY WILLIAMSON

Wonky Sisters

A droopy eyelid, a crooked smile, or an adorable snaggletooth... let's face it, we've all got our 'wrinkles'. We'll embrace our flaws, kick-back, and create wonderful Wonky Sisters.

The fun begins with quick, loose sketches as we practice creating wild and wonderful faces. This warm up will produce a pile of silly drawings with ridiculous, adorable facial features. There is no pressure to create anatomically correct faces. Instead we strive for lopsided lips, mismatched eyes, crooked noses, and fantastic hairdos. The wonkier the better! I will happily assist with any drawing challenges you have and will provide patterns if you would prefer to work from them.

These fabric collages are made with painted fabrics. By applying acrylic paint to an assortment of printed fabrics we will create a stash of luscious material for your artwork. After the paint dries, the faces will get covered with snippets and bits of hand-painted fabric. Freemotion sewing and optional hand stitches brings these faces to life. Add as many wrinkles as you like!

Come play with me and let's make some magic!

KIT FEE: \$45
