

Multi-Media Materials

Betty Busby

We will explore many different materials in the class, and I encourage you to bring any artist materials you might be interested in working with.

Material fee \$25, payable to Betty Busby

- No sewing machines are necessary.
- Included in the class is the nonwoven we will be using for the cutter. This is sufficient to execute all of the class projects.
- Also included is 1 yard of silk habotai.
- *Included in the class is the use of my fabric paint.* Students may also bring their own including Dye-Na-Flow, SetaSilk, Lumiere, Setacolor, or other fabric paints.
- Below are the items that will be necessary for the class-
- Sharp scissors
- 6 white plastic kitchen trash can liner bags- 13 gallon- unscented please.
- 1 ten yard roll of Hot Fix fusible, available here: https://www.hotfixadhesive.com/store.php?crn=544&rn=637&action=show_detail (also available on Amazon and EQuilter.com)
- Latex gloves for use when painting
- Container for water to rinse brushes
- Water sprayer
- parchment paper or Teflon sheet (preferred)
- 2 yards minimum of white or light colored material- can be any material, including synthetics.
- A sheet or 2 of foamcore board- the 20x30" size that is sold at Target and most grocery stores is fine.
- Set of regular acrylic artist paints (any brand)- basic colors, primaries plus black and white.

- Recommended brushes are 1" chipping brushes, and large (size 8-10) round bristle brushes meant for acrylic paint. Find the chipping brushes in the hardware store, usually in the bottom bins- they are a dollar or so each.

You'll need at least 2 of each.

OPTIONAL:

- Gallon ziplock bags to take home your treasures.
- Apron- at least wear painting clothes.
- Extra fabric to paint- some of the techniques work best on silk habotai, but you can bring cottons or even synthetics too
- Other media to bring IF you have them and would like to explore are- Prismacolor colored pencils, fabric paints such as Lumiere, Derwent Inktense pencils, and acrylic paint markers- TooliArt makes a wide range of colors.
 - *I don't use or recommend regular watercolors or watercolor pencils, and water soluble, oil or regular pastels, and regular oil paint.*
