Course Description and Supply list

Midnight Rose Course description:

"Midnight Rose" is a vibrant and dynamic quilt showcasing a blend of traditional and contemporary techniques. The bold design inspired by the vastness of the night sky with a central star motif is reminiscent of a celestial guide. A variety of piecing techniques are used to create a captivating design including foundation paper piecing, square-in-a-square blocks, flying geese log cabin blocks, and a lively half square triangle chain border that adds a sense of movement and energy. Finished Size: 88" x 88"

Supply list:

Midnight Rose©
Finished size 88" x 88"
