## WORKSHOP PROJECT

- The Workshop Project is available in THREE forms:
- (1) as a **PDF Digital Download**. This is the most economical option. You will need to print out the pattern on lettersize recycled copy paper in FULL color, source your own fabrics, supplies and materials.
- Once you download and print the pattern, you can use the color samples found within the pattern to source your fabrics. You can use solids, or Grudge or Batiks or patterned fabrics. As long as the hue and value are similar to the color samples--it will work!  
**Price: \$35**
- (2) as a PAPER Pattern. You will receive a Full Color Print out of the complete pattern and templates. You are responsible to source your own fabrics and materials. **Price: \$45**
- (3) a **Workshop Project KIT**: The Kit will include: a Full Color Paper Pattern with all FPP and Applique templates, a Fabric Bundle of Moda Bella Solids, freezer paper, paint brush, small bottle of starch, fusible webbing, pencil, Decobob 80wt Thread Spool, Machine Needle and Thread Needle and other goodies.  
**Price: \$325 (Order must be placed by 03/01/2027)**
- **Items and more detailed information is available on [prideandjoyquilting.com](http://prideandjoyquilting.com)**
