Course Description

Ultra-Textural Mixed Media Weaving on a Simple Loom

Weaving is an exceptionally satisfying art form, especially when learning the basics, and then going way beyond them, to create a super vibrant and exciting piece. In this workshop, you'll learn many stitches and techniques for creating a fabulous and unique weaving, filled with color, texture, multiple fibers, fringes, tassels and decorative elements. No art or weaving experience is necessary, and all levels are most welcome.

Supply List

Your instructor will supply the basics that you'll need to take this workshop, including fabric, yarn, decorative elements, a loom, and weaving needles.

\$50 supply fee

Please bring the following:

Fabric scissors, sewing needle and thread, fabrics, yarns, strings, and any decorative elements you'd like to consider for your weaving (such as beads, buttons, feathers, shells, etc). Fabrics can include: used clothing, placemats, tablecloths, fabric scraps, etc.

Looms will be provided, and optionally, if you have, or choose to purchase a simple frame loom, please feel free to bring it.

(An example is: Melissa & Doug Multi-Craft Weaving Loom)

No sewing machine is necessary.

Design Boards will be provided.
